## HAGER MADE GREAT HIT.

Two Thousand People Heard His Speech at Tabernacle Saturday Evening.

## EVERYBODY PLEASED.

His Ability as a Campaigner a Surprise to His Best Friends.

Those who went to hear Judge S. W. Hager, the Democratic nominee for Governor speech Saturday, expecting his speech to be merely a business man's talk, were most agreeably surprised. Judge Hager made by long odds the best campaign speech that has been heard here this year. As a speaker he is self-possessed and easy in his delivery, his enunciation is clear and distinct, his voice strong and melodious, his gestures are graceful and forceful and he possesses a fund of anecdote that kept his audience in a good humor for nearly two hours. He displayed a knowledge of classics and history that added much to the charm of his address, which at times contained flights of eloquence that called forth loud applause. Judge Hager is one of the handsomest men in Kentucky and he not only talked, but looked like a governor. His speech was the same array of facts, figures and unanswerable arguments that he has hurled at his opponent all over the state. His speech in all its essential parts has been published heretofore in the *Kentuckian*. Fully 2,000 persons heard the speech and many who went in idle curiosity left cheering for "the next Governor." No more effective and universally pleasing speech has been heard here for years. It was a brilliant close to the campaign and there will be but few bolters at the polls to-day among the 3,500 gallant Democrats of Christian county. Before this paper reaches many of its subscribers, Judge Hager will have been elected governor of Kentucky.

## THREW A ROCK

Into the Window Of An I. C. Coach.

Some person threw a rock into the window of the I. C. passenger coach Sunday evening about 6 o'clock, just before the train reached Green's station. The stone was as large as a man's fist and shattered the glass. J. H. Williams, a St. Louis drummer, was in the seat next to the aisle and his face was cut by flying glass. The missile passed behind him and struck a passenger named P. C. Dix in the side. Dix was on the opposite side, one seat back of Williams. Mr. and Mrs. M. E. Bacon were two seats in front of Dix, the intervening seat being vacant. The train was running 35 miles an hour and no stop was made.

## WILL CONTEST

Papers Filed Contesting Will of George Trice.

Papers have been filed with the circuit clerk contesting the will of George Trice, col., who died at Pemroke last month, at the age of 90 years. Appellants allege that the paper was forged as the will and testament of the appellee, in which Mrs. Ada Jones was named as sole devisee, was not his will and that the devisee is not an heir at law of the said Trice. They further allege that at the time the papers were written Trice did not have mental capacity sufficient to make an intelligent will and that he was persuaded and induced to sign same though under influence. Appellants pray that the judgment of the court establishing said paper be set aside and declared not to be his true will.

## IRD DOG

Attacks and Frightens a Lady on the Street.

A bird dog belonging to Mr. D. L. Keith badly frightened Mrs. Jno. W. Mitchell Sunday evening. She encountered the dog on the street and becoming frightened at his rather queer actions, screamed and turned to run when the dog reared up and clawed her on the shoulder before his master could stop him. The dog appeared nervous and Mr. Keith is keeping him fastened up until it can be known what caused his viciousness.

**Thousands Have Kidney****Trouble and Never Suspect It.**

Provability of Kidney Disease.

Most people do not realize the alarming increase and remarkable permanence of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patients and physicians, who content themselves with doctoring the effects, while the original disease undergoes its course.

**GALL STONE****Caused Death of Charles E. Brame Friday Night.**

After suffering greatly for about twenty-four hours from gall stone Charles E. Brame died last Friday night at his home at Durett Avenue and Walnut street.

Mr. Brown was a bar tender at Virginia and Eighth streets. Thursday about six o'clock he was taken with a severe pain in his stomach and Dr. Harned was summoned. He continued to suffer until after six o'clock Friday evening when the end came.

Decedent was a member of the Fraternal Order of Eagles and was 55 years old. Burial took place Sunday afternoon, conducted by Dr. Meacham. The first three are present councilmen. There are 33 registered voters in the town.

**MYSTERIOUS FIRE****Destroys a Storage House on Dr. J. D. Clardy's Farm.**

A house on the premises of Dr. J. D. Clardy, formerly occupied by a tenant, was burned mysteriously Friday evening soon after dark. When Dr. Clardy discovered the fire the house was too far gone to be saved. It was located about fifty yards from his own residence and was used as a storage room. It contained a large lot of odds and ends and the house with its contents was worth about \$1,000, upon which there was no insurance. It was the only house on the place not covered by insurance. Dr. Clardy says the fire was a complete mystery. There had been no fire about it for years. He cannot imagine why any one would set fire to it. He says if he has enemies he does not know them they are.

**Value of Insurance.**

Fires originate in unexpected causes and from unknown causes. Doubtless some one who reads this article will sustain the next loss. Are YOU insured and have you the best insurance your money can buy? The Giant Insurance Agency, (Incorporated), the leading fire insurance agency in the city, represents ten multimillionaire companies and settles their losses promptly and equitably and guarantees to sell their policies at as low rate as any company doing business. Office in First National Bank building. Both 'phones.

**At South Union.**

**Gracey Town Ticket.**

The only council ticket on the official ballot in Gracey is made up of Dr. D. E. Bell, B. W. Cowherd, W. R. Hammonds, F. O. Wilson and J. P. Meacham. The first three are present councilmen. There are 33 registered voters in the town.

**SUDDEN DEATH****MRS. SKERRITT**

Attended Church Sunday Morning And Died That Night.

**WAS IN GOOD HEALTH.**

Lived Only Three Hours After Reaching Her Home.

Mrs. Sue E. Skerritt, wife of Mr. Harry H. Skerritt, the grocer, who lives at 416 North Clay street, died after a short illness at her home Sunday night.

Mrs. Skerritt was a member of the Baptist church and attended the Sunday morning service. It was also her intention to attend the night service.

She spent part of the afternoon with her sister, Mrs. Keith, the mother of Dr. Paul Keith and Mr. D. L. Keith, at 14th and Liberty streets.

A little before 8:00 o'clock she abandoned the idea of going to church and Dr. Keith took her home in his buggy. When they reached the house Mrs. Skerritt got out of the buggy and spoke of swimming in her head. Dr. Keith asked her to wait until he hitched his horse and he would assist her in getting into the house. When she entered the family room she was taken violently ill at her stomach and vomited profusely.

Dr. Keith administered the usual remedies and when he left Mrs. Skerritt was she resting easily.

Just after 11 o'clock he was called over the phone to hasten back as Mrs. Skerritt was in a very dangerous condition.

The doctor promptly responded to the call but when he arrived at the house she was breathing very hard, in a few minutes she passed away in the presence of her husband and children.

Mrs. Skerritt was in good health and her sudden taking off cannot really be accounted for except upon hypothesis that she had heart trouble or acute indigestion, the latter being most probable.

Mrs. Skerritt was a Miss Lewis, of the Crofton neighborhood and was 45 years of age. Besides her husband three sons, from 9 to 16 years of age, survive her.

The taxes of Mrs. Kate Rogers for 1906 were ordered released.

A committee consisting of Jackson, Davis and Twyman was appointed to purchase a mule for the street department, and another horse for the Fire Department.

Chairman Twyman, of the street committee, was ordered to purchase a year's supply of corn and hay for the city teams.

**SERIES RESUMED.**

Dr. Jenkens Preached A Sermon On Martyrdom.

Rev. Millard A. Jenkens on Sunday night resumed his special sermons interrupted by the Bible Conference. The sermon was the 16th of the series on the subject "The Cry of the Martyrs—The Light that Shines Round the World." Taking the Christians who suffered martyrdom as his theme he preached a powerful and eloquent discourse on the duties and faithfulness of Christians. There will be three more of the series. The next one will be "A Visit to Spurgeon's Tabernacle" in London.

**CHARLIE NASH**

Writes That He Has Located In Temple, Texas.

In a letter to the Kentuckian Mr. Chas. H. Nash, Jr., says he will not return to Hopkinsville, as he has secured a very lucrative position with a wholesale house, the Temple Candy Co., in Temple, Texas. He has not fully regained his strength from his long spell of typhoid fever, but is rapidly improving.

He is to be secretary and treasurer of the company, a \$30,000 corporation, at a salary of \$1,500 to start with. He expects to visit Hopkinsville about January 1st. Mr. Nash says:

"I am very much pleased with Texas and Temple. It is a great state in every way and has large resources and opportunities and very fine people are within its bounds. Temple is growing very fast and is a large cotton market and a railroad center likewise. The population now is 15,000. After all I think Kentucky is the state, and Hopkinsville the place."

Rev. C. H. Nash is pastor of the First Baptist church at Temple.

Dr. H. C. Risner, of Tyler, Texas-Pastor Evangelist—is now assisting him in a revival meeting and large crowds hear him twice daily, notwithstanding the terrible weather—continuous rains "Northerns," and black, waxy Texas mud.

Mr. Nash's father has had a most successful pastorate during the past year. About two weeks ago he took up a collection for State Missions and in less than half an hour it amounted to over \$1,000, which was the largest in the history of the church, exceeding the collection of last year for the same purpose, which he took upon his arrival and which was then the largest up to that time. He has been highly honored since reaching Texas and is considered a ready as one of the able men of Texas as a preacher. Just recently he was selected to preach the annual sermon at the Ministers meeting of the Texas Baptist Convention, which meets at San Antonio this week and numbers over 1000 delegates.

The following appropriations were made: The October budget of audited claims \$858.88; E. Y. Johnson, roofing, \$197; Forbes Mfg. Face and Feet Covered—Rest Broken and Would Cry Tired Out—"Cradle Cap" Added to Baby's Torture—Tries Cuticura Soap and Cuticura Ointment.

**IMMEDIATE RELIEF AND SPEEDY CURE**

"My baby was about nine months old. Her feet seemed to irritate her at night. They would cause her to be very restless at night, and sometimes she would cry until she would fall asleep. I always used Cuticura Soap, myself, and it would always give me relief. I would give them a trial. The improvement was wonderful."

In a few hours, and before I used one box of the Cuticura Ointment her feet were well and have not troubled me since. I used Cuticura Soap to remove what is known as "cradle cap" from her head, and worked like a charm on it. I have used it and I have had the same time. Now I keep Cuticura Ointment on hand in case of any little rash or irritation that may occur at any time. It is a great improvement at once. Perhaps this may be the means of helping other suffering babies. —Mrs. Thomas, Tex., June 9, 1906."

## STRIKE OVER.

Postal Office Here Still Closed But May Open This Week.

The Louisville Times said Friday that the differences between the striking telegraphers and the Western Union and Postal Telegraph Companies had been adjusted and that all the offices of both companies in Louisville would open for business Saturday.

The Postal company here has been closed since it was abandoned by Miss Cameron early after the strike went into effect, over two months ago. It is probable that the offices will be opened again this week, as Mr. Jesse Reeves, an experienced operator, was on the streets last week talking about the company reopening the Postal office. Mr. Reeves, we are told, was soliciting business for the company.

## Opposum Hunt.

A party of young people went out to the home of Mr. Nick Sallee last night for supper. After parousing of a bountiful spread, superintended by Mrs. Sallee, the young ladies and gentlemen, headed by Mr. Sallee with his "possum dogs," "took to the woods" in search of three "possums," that being the number they had made up their mind to capture, even if they had to stay in the woods all night. The party was composed of Misses Edith Brasher, Nell Cayce, Willie Harned and Mary McCarley, and Messrs. Joe Wall, Hardy Hadden and Gill Edwards.

As they expected to scour the woods and count stars until a late hour, Mrs. Sallee arranged for them to have a midnight meal when they returned.

## STATE DEVELOPMENT

Convention at Louisville Will be Notable Event.

The sixth annual State Development convention which will be held in Louisville on the 19th, 20th and 21st of this month will probably surpass in interest any event of the sort ever held in Kentucky. Strenuous efforts are being put forth by the local committee of arrangements in Louisville and the members of the executive committee of the Kentucky State Development Association throughout the state.

Invitations are daily being sent to the well known speakers on all topics of interest throughout the country and the latest acceptance received is from the Honorable James B. McCreary, Senator McCreary is well known, has devoted considerable attention in the United States Senate to the subject of the Panama Canal and he has therefore, consented to address the convention on the Panama Canal and its effect on the trade and industries of the southern states.

The fact that Senator McCreary's services have been obtained for the convention, is a matter of gratification to President E. J. McDermott and his assistants. He is greatly pleased for sure but agreed to speak because of the importance of this gathering of representative Kentuckians.

Much work is being done by the committees on invitation and delegates. Throughout the state hundreds of prominent men have been urged to take a part in the work of securing a proper representation on the floor of the convention from each county and a gratifying interest has been shown.

The relation of the press to the progress of Kentucky will receive considerable attention on the program of the convention and Mr. Lew B. Brown President of the Kentucky Press Association is to make a speech on this subject. Mr. Brown's knowledge of his topic is intimate and his discussion on the subject should do much to harmonize the effects of the press and other various factors in Kentucky's progress.

Miss Mary West, who is attending Belmont College, Nashville, spent Sunday with her parents, Mr. and Mrs. James West.

Mrs. Lena King, of Pueblo, Colo., accompanied by her little son, James, is visiting her father, Mr. D. H. Armstrong, near the city.

Rev. Francis L. Goff, late pastor of the First Presbyterian church, arrived in the city Saturday night for a few days' visit to friends.

Mr. Calvin Layne and family left Thursday night for Los Angeles, California, where they will reside in the future. Mr. T. H. Harned accompanied them and will remain until spring.

Mr. and Mrs. Roy Kenner left this morning for Tuica, Indian Territory, where they will make their home in the future. Mr. Kenner expects to engage in the grocery business, with which he is thoroughly familiar.

## Strong Resemblance.

Saturday was the first time that the greater part of the people of Hopkinsville had seen the next governor of Kentucky (Mr. Hager, of course). When he took his seat in the carriage at Hotel Lathan some of the crowd that had been rubbering for nearly an hour to get their first glance at Mr. Hager took him to be Mr. George D. Dalton. The resemblance is very striking, but Mr. Dalton is a much larger man physically.

## WANT CONTROL.

Cumberland Presbyterians Going After School.

The Kentucky Synod, which met at Bowling Green last week, took steps looking to a vigorous effort to regain control of the school at Auburn formerly under its immediate direction. In the resolution adopted into the proceedings these words were used: "Your board of trustees of your school at Auburn, Ky., have proven unfaithful as Cumberland Presbyterians." And further: "We now declare the office of trustees vacant."

Revs. S. H. Eshmore, W. J. Haden, A. C. Biddle and H. M. Guyan were appointed as a new board of trustees. The new board of trustees was directed in the same resolution to organize at once and make a demand for possession of the property and to hold themselves in readiness to take such steps as may be necessary to get possession of the property. After the close of the Synod J. T. Barbee, of Owenton, was re-elected as Synodical Superintendent for another year.

The meeting of the Synod will be held in this city on the third Tuesday in October, 1908.

## Residence Sold.

J. F. Hines has sold the Sam D. Wilson property on Walnut street to T. M. Green, of Muhlenberg county.

## Walnut Wine.

To a gallon of water put two pounds of brown sugar and one pound of honey, boil this mixture for half an hour, carefully removing all scum; put into a tub a large handful of walnut leaves and pour the hot liquor upon them; let them stand a night and then squeeze out the leaves and pour the wine off. Strain this for a week, stirring four or five times a day, then stop up the cask and let stand six months. This is a supposed remedy for consumption and, as it is usually termed, "all inward complaints."

## Filling for Cream Puffs.

Wet three tablespoonsfuls of flour to a paste with a little cold water and stir into a cupful of hot milk. Boil for a minute, stirring to prevent lumps, take from the fire and pour, gradually, upon three beaten eggs and a half-cup of powdered sugar, stirring these all the time. Stir over the fire until thick and smooth, remove, flavor with vanilla, and, when cold, put into the puffs.

## Pudding Sauce.

Warm in a saucepan a quarter pint of milk, add a dessertspoonful of cornstarch with a little milk and stir this into the milk in the saucepan. Continue stirring until it boils and is about as thick as cream, then add a dessertspoonful of sugar and a small piece of butter. Pour this around a pudding just before serving.

## Fried Tomatoes.

Slice the tomatoes into thick pieces and fry in butter until done. Transfer to a hot platter, sprinkle with salt and pepper and add a little oil; you add to the butter in which there were fried a tablespoonful of flour and a pint of milk, cook, stirring, to a smooth, white sauce and pour over the tomatoes.

## Spiced Cake.

Weigh ten eggs, allow their weight in sugar, and half their weight in flour. Beat the whites and yolks separately, adding the sugar to the yolks with the juice and half the grated peel of a lemon, then the flour, folding in at the last the stiffened whites. Bake at once in a loaf-pan in a steady oven.

## German Flour Soup.

Cook together in a frying pan a tablespoonful of flour and four, and when well blended add a sliced or minced onion; fry this to a golden brown, then stir in five cups of soup stock or warm water, stir until thick, pour upon a beaten egg and add salt, pepper and nutmeg to taste.

## Bodkin Substitute.

Safety-pins are good substitutes when a bodkin is not handy, but easier still are corset laces of cotton, linen, silk or elastic, according to the use for which they are intended. By means of the metal ends these can be used for drawstrings.

Virginia school team Saturday and won by 6 to 4.
